

CONGREGATIONAL VOTE & MEETING

Through proxies and in-person voting, the necessary 75 Hebrew Tabernacle members voted 74 to 1 to approve the Board of Trustees recommendation to reduce the Quorum for Congregational Meetings from “75 members” to “20% of the members or 35 members, whichever is less.” Thank you to all the members who voted and Board volunteers who encouraged members to vote.

Twenty members came to the in-person meeting, shared their Tabernacle experiences and priorities and heard reports on: synagogue plans for the year, all the other congregations and community organizations that are actively using our building, synagogue finances, the Hebrew School & Tot Shabbat.

SAVE THE DATE FOR OUR SPRING ANNUAL CONGREGATIONAL MEETING ON SUNDAY MORNING, APRIL 23!

HIGH HOLIDAYS FOR PEOPLE OF ALL AGES!

We are building an inclusive future for Hebrew Tabernacle. During these High Holidays we warmly welcomed our elders, toddlers, singles, grandparents, and families of every kind—two-parent, interfaith, one-parent, LGBT and inter-racial. We began this New Year with services for people of all ages. First was Tot Hashanah, then the beautiful adult service led by our Rabbi Jeffrey Gale with our Cantorial Student Robbie Wittner, the organist, a choir and a Shofar Choir of Andie Authers and Julia Klein, led by *Baala Tekiya* Miriam Frank, followed by a delightful dairy potluck picnic. The next day Shelly Koy led the service for parents and Hebrew School students, two of whom sounded the shofar, while our Rabbi and Cantor led the customary 2nd Day Service with Miriam Frank as *Baala Tekiya*.

Throughout these Rosh Hashanah services, Kol Nidre and Yom Kippur, members of the community—from long time members and temple officers, from high school and Hebrew School students to parents—blessed the Torah and did readings in Hebrew and English.

A new addition to the day of Yom Kippur were the 60 adults and children who came to our new Family-Friendly Service at 4:30pm. Like our Family-Friendly Shabbat morning services, it involved the children in the Torah Procession and included both adult Torah Study and a separate children’s Torah study, after which students reported the results of their discussion to the congregation.

For Sukkot, congregants from Tabernacle and Beth Am constructed the Sukkah, and students created decorations. This community Sukkah was enjoyed by our congregation and the neighborhood all week long.

Eleven adults and kids stayed for the afternoon Simchat Torah dance class with Steve Weintraub (who leads Simchat Torah dancing at Rodeph Shalom). Our own member Michael Santoro is part of a network of klezmer musicians, and brought a klezmer band to accompany our procession and dancing with the Torahs on Erev Simchat Torah. What a wonderful way to start the year!

Desma Holcomb

Rebecca Hametz-Berner is currently an 8th grader at the Center School on the Upper Westside, where she particularly enjoys her humanities classes, especially Latin. After school, Rebecca has two passions: dance and horse-back riding. She currently dances at the Harlem School of the Arts, focusing on ballet and also learning modern and jazz dance. She is excited to be going “on pointe” this fall. When she is not dancing, Rebecca can be found at the Riverdale Riding Stables in the Bronx. She has been riding since she was 8 years old and is an inaugural member of the barn’s IEA (Interscholastic Equestrian Association) competitive team. She and her teammates compete against other barns in the Tri-state area. Rebecca has recently begun to learn to jump the horses. It is her dream to someday own her own horse. And if that doesn’t happen, maybe she will be a veterinarian so she can take care of others’ horses.

ANNOUNCING HT'S ANNUAL RUMMAGE SALE Seeking Items to Sell and Volunteers!!!

This year's Rummage Sale will be held on Sunday, December 18 and Monday, December 19 from 10am to 4 pm.

Clean out your closets and cabinets, ask neighbors for their gently used items and share this information with your friends and community. The Rummage Sale is one of the Hebrew Tabernacle's largest fund raisers and we so do need the funds!

We accept donations of housewares, furniture, software, CD's, DVD's, books, toys, games, art work, jewelry, handbags, and children's clothing. All items must be in good working order and in sellable condition. You may bring in donations during regular office hours but please call 212 568-8304 to confirm.

Our *Corner Café* will be open again. We gladly accept donations of fresh baked brownies, muffins, cookies, bread, etc. that can be dropped off the mornings of the sale. The delicious aromas wafting from these treats encourage shoppers to stay longer and buy more!

As always we implore your help! Volunteers will be needed prior to the Sale for sorting, pricing and setting up. Each day of the Sale we need floor walkers, cashiers, baggers, and concessionaires. Please contact the office and let them know your availability.

Thank you in advance for your help and support.

Rose Ellen Neidish & Mike Klein , Co-Chairs

Memo from one of the Vice Presidents

IN MEMORY OF HANNAH EISNER

I was deeply saddened to learn of Hannah's passing – she was one of the pillars of this community. A long time member of this congregation, the Sisterhood, the Board of Trustees and chair of the Chased Committee. Hannah was involved in synagogue life on many levels: interacting with young children, teaching them origami, telling her stories of the holocaust to our students of the Hebrew School, and bringing comfort to people of all ages.

Hannah and I go back a very very long time. I remember she had invited me over to have lunch with her son Billy when I was in kindergarten. Many years later she noticed how active I was in trying to improve the conditions of the building without being on any kind of committee. She was the one who nominated me to be on the Board. The rest is history.

I will never forget the joy on Hannah's face last Rosh Hashanah when special arrangements were made for her to be called up to the Torah while confined to her wheelchair. Arthur Eisner told me that the following week she went to the Metropolitan Museum of Art. Hannah enjoyed life to the fullest and I will always remember her.

WELCOME ROBBY WITTNER OUR NEW STUDENT CANTOR

I was thrilled to learn this past spring that Robby was going to be our new Student Cantor. In the short time Robby has been here he has performed beyond my expectations. Robby has been an instant hit with the Tots, Hebrew School Students and congregants of all ages. If you have not been to one of the services since his arrival, I urge you to do so. Once you have, I am sure you will be attending more often. Be sure to bring a friend or a family member as well.

Robby has made this congregation extremely proud. His family has a long involvement with this synagogue going to his grandparents, and he is a product of our very own Hebrew School.

I look forward to Robby's involvement in life cycle events, and to working with him to build this congregation.

BUILDING MATTERS

When this congregation moved up from its former building at 161st Street back in 1973, it was a very wise decision. We are very fortunate that this building is of sound construction with steel beams encased in concrete as well as concrete roof decking. The building did not have a central A/C system and was installed by our congregation upon moving in. Yes that's right, our system is nearing 44 years old. The normal life expectancy is about 30 years. We have managed to squeeze out additional years by routine maintenance as well as extensive up-grades and repairs. Despite that, we have had more than one leak, and as a result this has caused parts of the ceiling to collapse in our sanctuary.

The system operates very inefficiently. It is either on or off so the temperature cannot be regulated, causing additional expense.

While the system is still in working order, we must use this time wisely and build up a fund to replace it before it quits out on us.

As you know, I was successful in obtaining a sizable grant and managed the construction phase for the cladding of the dome parapet walls and coping stone. This was a major step in keeping our building water tight. However, much work still needs to be done. Since our building is exposed on 3 sides it takes a beating from wind, rain, snow and ice. With that in mind, we need to start a brick pointing campaign. Our building has many walls with lots of decorative brick work at different elevations. It would be much too costly for us to do the building all at once. I am proposing that we do one or two walls a season, prioritizing the most critical ones first.

Many congregations require a mandatory contribution to a building fund. We do not. The only way for us to move forward on these projects is through individual donations, winning grants (not so easy) or through fund raisers. When making your Kol Nidre pledge this season please keep these projects in mind.

I wish the entire congregation, their family and friends a healthy, happy and prosperous 5777.

— Mike Klein

IN MEMORIAM

In grateful memory of the departed whose names are taken from the records of Hebrew tabernacle and Beth am and which appear on a separate weekly Yahrzeit list. It is our minhag to read Yahrzeit names at the Shabbat services following the date. **If you would like a name read, please call the office in the preceding week.**

Andie Authers was born in Mexico City and has been going to Hebrew Tabernacle since she moved to New York at the age of two, speaking mostly Spanish. From Tot Shabbat to playing shofar with the “Shofarellas” over the High Holidays, she loves it all! She is always keen to help out with our bigger projects, such as the annual Purim Carnival, Mitzvah Day, and our Rummage Sale. Though she was only able to attend Kitah Aleph and Kitah Zayin, she enjoyed it and is eager to continue with Hebrew High School. Andie has been to a total of 5 schools in three different countries. After Pre-school at the YMYWHA, she went to Camp Yomawha for 2 summers and Twelve Trails camp for 1. Then she had 2 great years in the G&T program at P.S 153 in Harlem. From there, at the age of 6, she moved to London where she went to 2 different schools-- both without homework! In London she enjoyed swimming at the local pools, tennis in Highgate Woods and going to horse-back riding birthday parties. She also learned how to play trumpet, cello and baritone horn. She returned from London 2 years ago and started at Kinneret Day School, where she is in 8th grade. Her favourite subject is English. She enjoys playing trumpet and doing yoga and karate. She lives with her Mom, Dad, 2 pet cats Hooper and Birdie, and 2 pet siblings Josie and Jamie. We would like to invite everyone to a kiddush luncheon after her service on November 12th at 10:30 AM.

Letter from one of the Vice Presidents

ONE BIG NIGHT, THREE BIG EVENTS

June 11 was truly a big night at HT. It started off with a lovely Shavuot service. This service normally has sparse attendance, but this time we had quite a nice attendance.

The service was followed by a wonderful celebratory dinner. Susan Blum and her staff really outdid themselves. The presentation and the food itself were exceptional. Harriet Bailer played the piano; Ralph Selig gave a brief history of Hebrew Tabernacle's 110 years and thanked Kenneth Feibush (Kenny) for his two sterling years of service to our congregation. On a personal note, I will truly miss him and the spirituality he contributed to our services. I wish him all the best at his new pulpit. Kenny pledged that he would keep in touch.

There was a lot of positive feedback from this event, so much that suggestions were made that we have an annual congregational Shavuot dinner. If you are interested in helping organize this event for next year please contact me.

FOOD DRIVE

Keep the donations of nonperishable goods coming. Our large gray bin is nearly full and we would like to fill it before we call in a collection. Thank you all who have made donations to our food pantry.

— *Mike Klein*
