Young Jane Young, by Gabrielle Zevin.

Aviva Grossman, an ambitious congressional intern in Florida, makes the mistake of having an affair with her (married) boss. When the affair comes to light, the popular congressman doesn't take the fall. But Aviva does, and her life is over before it hardly begins: slut-shamed, she becomes a late-night talk show punch line, anathema to politics. She sees no way out but to change her name and move to a remote town in Maine. This time, she tries to be smarter about her life and strives to raise her daughter, Ruby, to be strong and confident. But when, at the urging of others, Aviva decides to run for public office, that long-ago mistake trails her via the Internet and catches up—an inescapable scarlet A. In the digital age, the past is never, ever, truly past. And it's only a matter of time until Ruby finds out who her mother was and is forced to reconcile that person with the one she knows.
