

We are looking forward to having everyone participate in Hebrew Tabernacle's High Holidays Services on Zoom this year. Rabbi Paula, Student Cantor Kalix and Musical Director Dr. Ralph Selig are working hard to prepare services that will be meaningful, moving and educational for us.

Please use the links below to enter the various services as indicated.

For ALL services, it's a good idea to enter the services at least 15-20 minutes before the start time of the service. You can enter and just wait until the start of the service.

Please go to Zoom.us and download the Zoom program to your device. Please check on Zoom.us before the services start to be sure you have the latest version of the program installed.

IMPORTANT TIPS:

1. Sign in with the same name that is on your membership or that you used to register/buy tickets for yourself or guests. In services with a Waiting Room, if your name does not match the name on the list, you will be asked to change your name while you are in the Waiting Room. In services without a Waiting Room, you will be asked to change your name as a security precaution. To change your name, click on the three dots in the upper right-hand corner of the square with your image and click on "rename". Type in the correct name and press "Enter".
2. People calling in by phone must send in their phone numbers and their names so we can put their names on the screen instead of their phone numbers. People phoning in will also be placed in a waiting room for the special services. If you haven't sent in your name and phone number, you will be asked to provide your name so we can display your name instead of your phone number.
3. Please only use ONE device (computer, laptop, iPad, phone) for each family. As of now, our account only has the capacity for 100 devices.
4. If you experience technical issues, you can call Shelly (917-435-5815) or Desma (917-414-5423) and we will try to help you.
5. If you call in on the phone, please have the meeting ID ready. You will need to enter it on your phone, followed by #. Then you will have to press # AGAIN!
6. We will have security procedures in place which include co-hosts monitoring the services. If there is a disruption of any kind, please stay in the service.

If you have any questions, please contact Shelly at skhspr@gmail.com
L'Shana Tovah! Peace, Shelly
