Tzedakah for Hunger Relief and to Help Immigrants

Donate Food, New Clothing or Funds

Our Hebrew Tabernacle tradition, as we approach the fasting and atonement of Yom Kippur, is to donate food for those in need. This year we are donating to hunger relief not only for our neighbors, but also for clothing and other necessities for newly arriving immigrants.

Please donate food to address food insecurity in our community.

Lucas Nickelsburg has chosen for his Bar Mitzvah Project to run a food drive for City Harvest. This will continue during Rosh Hashanah and Yom Kippur. Lucas has placed boxes to collect non-perishable food items inside the Hebrew Tabernacle Gold Wing.

Please donate to help welcome immigrants being bussed to New York to Texas

Team TLC NYC (Grannies Respond/Abuelas Responden) are volunteers who are meeting the buses of immigrants from Texas arriving at Port Authority almost daily, with necessities in TLC bags. To re-supply the basic clothing/toiletries for these welcome bags, donate/purchase from [TLC Target Wishlist](#). You can also donate to Team TLC and find out about volunteering as a greeter at their website www.tlcnyc.org. To assist local churches that are giving transitional help to these migrants, contact Kate Sussman or Rita Hamburg of our Social Action Committee by emailing office@hebrewtabernacle.org.

Hebrew Tabernacle engages in social action and deeds of lovingkindness year-round. Learn more and get involved: <https://hebrewtabernacle.org/social-action/>.
