BINARY DREAMSCAPE – WHO ARE WE NOW?

The Surrealist Art of

RUTHY VALDEZ

With bilingual poetry by **ELDDRY CASTILLO**

Ruthy Valdez

Artist's Statement: “Beyond its aesthetic appeal, this exhibit carries a moral implication.

I have blurred the lines between the real and the surreal to challenge us about the nature of reality and our place within it. We live in a world where technology and artificial intelligence are becoming increasingly prevalent.

Let us embrace our humanity.

Let us not lose sight of the importance of the natural world amidst our rapidly evolving digital landscape.”

About the artist: Washington Heights resident Ruthy is the devoted single mother of two teenage boys. She advocates for the arts, promoting local artists and organizing workshops.

Dream or Reality?

I dreamed that I was flying
I sounded like I wasn't there
From such dreaming, I dreamed of life.
