Julia Justo

*"In this time of exclusion and displacement, my work seeks to bring attention to histories at risk of erasure while envisioning a more tolerant, connected, interdependent future."*

Julia Justo is an interdisciplinary artist born in Argentina of Indigenous-Italian ancestry who works across multiple disciplines to mitigate and confront systemic social problems.

Some of her artwork welcomes the viewer to take a piece of paper and add individual and collective imaginings to the art box. [JuliaJusto444@gmail.com](mailto:JuliaJusto444@gmail.com) [JuliaJusto.com](http://JuliaJusto.com)
